**New Cases – 1****CO2020-4526**

This case involves a conditionally licensed speech-language pathologist who did not apply for a second Conditional license before her initial license expired. This resulted in practice without a valid license for 163 days from November 16, 2019 through April 27, 2020. Additionally, her Supervised Professional Experience (SPE) Report and Contacts Log (Report/Log) was received 301 days late resulting in not practicing under an approved Plan and supervision June 1, 2019 – April 27, 2020. This is her first offense. She was granted a second conditional license April 28, 2020.

Accordingly, the Investigative Review Group (IRG) recommends offering and approving the Consent Agreement (Consent) she agreed to, and signed, with the following terms and conditions:

1. She is reprimanded.
2. Her Amended SPE Plan was submitted and approved. Her experience is extended 301 days.
3. She shall successfully complete/pass the Board's jurisprudence examination within 90 days of the effective date of the Consent.
4. She shall submit her SPE Report/Log no later than thirty days from the date her extended experience ends.
5. She shall notify the American Speech-Language-Hearing Association (ASHA) of this Consent if she holds a Certificate of Clinical Competence awarded by ASHA.

**Motion #6**

Ms. Slone moved to accept the Investigative Review Group's recommendation in case number **CO2020-4526**. Dr. Mitchell seconded the motion. Mr. Pratt abstained. The motion passed unanimously.

#### **CO2018-8253 Emily Kautz, SP.07027**

This case involves a speech-language pathologist who documented having provided 6 speech therapy services to 5 students under the student's Individualized Education Program (IEP) when the students were absent from the school building at the time she documented that she provided the services. The District's service recovery log demonstrates that speech therapy services were not provided for 210 minutes (of the required 380 minutes) as required by the student's IEP for the following dates: April 12, 2018, April 19, 2018 and April 23, 2018. The data was not submitted to Medicaid. She resigned from employment. She requested a hearing regarding the Notice of Opportunity for Hearing (NOH) issued per December 4, 2019 Board vote. In lieu of scheduling her continued March 18 and May 11, 2020 hearings for today, she agreed to enter into a settlement agreement. She obtained speech-language pathology licensure August 2001.

Accordingly, the IRG recommends offering and approving the signed Consent in lieu of a hearing with the following terms and conditions:

1. 2-year suspension stayed.
2. She is reprimanded.
3. Complete an additional 12 hours of continuing education (CE): 2 hours in ethics, 2 hours billing, 2 hours in time management and 6 hours related to school documentation/IEP's, due 120 days from the effective date of the Consent. The 12 additional hours of CE shall not be applied towards the 20 hours required for the current licensure biennium, for renewal.
4. Audit her continuing education hours for the next two practice bienniums, (2019-2020 and 2021-2022).

5. No later than every six months provide the Board with a letter from her physician that she is in compliance with her treatment program and she is able to perform her job as a speech-language pathologist. If there’s a change in treatment, or if her treatment ends, she or her physician shall immediately notify the Board
6. Provide the Board with a release to obtain her treatment information within 60 days from the date the Board approves the Consent.
7. Her employer, whether fulltime, part-time and/or PRN, shall submit her annual performance evaluation within 30 days from the date of her annual performance evaluation for two years from the effective date of the Consent.
8. Her employer for one year will meet with her monthly to view and discuss her therapy documentation. Any issues with documentation must be reported to the Board within 48 hours.
9. She shall update the Board within thirty calendar days of change of employment and change of address, email and/or phone number.
10. She shall notify the ASHA of her Consent if she holds a Certificate of Clinical Competence awarded by ASHA.

At the May 11, 2020 board meeting, the Board approved the Consent this speech-language pathologist agreed to and signed. A term per her Consent is to serve 124 days suspension on designated dates. She is to notify the Board if her employer requests that she work on any of the suspension dates listed in the Consent due to the Covid-19 Pandemic. Since May 11<sup>th</sup>, her employer requested she work two of the suspension dates (in November and September 2020). She is required to continue notifying the Board prior to other suspension dates her employer requests she work. An Addendum to her Consent will be sent to her every six months modifying the dates until 124 days of suspension have been served.

A. Ohio Department of Education – Proposed Changes to Operating Standards

Mr. Thornton updated the Board regarding the changes the Ohio Department of Education (ODE) is proposing to the Operating Standards for Delivery of Services to Students with Disabilities. He noted that Dr. Spangler, Ms. Slone, and Ms. Brown have submitted comments. Ms. Brown requested that the website link to the proposed changes be sent to all board members. Mr. Thornton will summarize all comments and submit to the ODE by July 31<sup>st</sup>.

**CORRESPONDENCE**

The Board discussed correspondence received from a licensed speech-language pathologist who requested that the deadline for completion of continuing education hours be extended since the Ohio Speech Pathology Educational Audiology Coalition canceled its fall conference due to the COVID-19 pandemic. The Board noted that the continuing education rule accepts continuing education programs from a variety of sources, including webinars. The Board also noted that licensees have two years to complete their twenty hours of continuing education, which includes two hours related to ethics for the 2019-2020 practice period, which runs from January 1, 2019 through December 31, 2020. The Board denied the licensee’s request to extend the continuing education deadline beyond December 31, 2020. The Board will continue to inform licensees of continuing education resources via the newsletter.
