The Board conducted a rules hearing in accordance with R.C. Chapter 119 on the following rules:

The following rules are being proposed as amended rules:

Ohio Administrative Code Chapter 4753:

4753-3-07 – Professional Experience Requirements

This rule specifies the professional experience requirements for licensure of applicants for speech-language pathology. A proposed amendment corrects a reference to the passing score for the national exam, e.g., removing the former passing score, e.g., 600 and replacing it with verbiage that reflects the current passing score for the qualifying examinations for speech-language pathology and audiology, e.g., 162 or above for the "Praxis Speech-Language Pathology: 5331" test, 162 or above for the "Praxis Audiology: 5343" test, or 170 or above for the "Praxis Audiology: 5342" test.

4753-3-12 – Summary suspension for human trafficking conviction

This rule specifies the process for summary suspension of a license for a human trafficking conviction. The only amendment to this rule is to remove a reference to the former "Board of Speech-Language Pathology and Audiology" and replace with the current board name, e.g., "Ohio Speech and Hearing Professionals Board."

4753-11-01 – Definitions for accessing confidential personal information

This rule sets forth the definitions of terms referenced under this chapter relating to accessing confidential personal information. The only amendment to this rule is to remove a reference to

the former “Board of Speech-Language Pathology and Audiology” and replace with the current board name, e.g., “Ohio Speech and Hearing Professionals Board.”

The rules hearing was convened at 10:17 a.m. and concluded at 10:33 a.m. There was no public or written testimony.

B. Board Actions

New Cases – 1

CO2020-5382

This case involves a hearing aid fitter who owns hearing aid businesses throughout Ohio. His website advertises problematic claims/statements. A Respond to Complaint Letter has been issued to him. He has thirty days from the date of the letter to respond.

Accordingly, the Investigative Review Group recommends the Board authorize the Investigative Review Group to issue a Notice of Opportunity for Hearing, versus waiting for the December 7, 2020 board to vote, if he does not respond and/or by the deadline.

Motion #4

Dr. Prakup moved to accept the Investigative Review Group’s recommendation in case **CO2020-5382**. Ms. Slone seconded the motion. Mr. Pratt abstained. The motion passed unanimously.

COMMITTEE REPORTS

A. Professional Competency Committee

Dr. Prakup updated the Board regarding the Professional Competency Committee's last meeting on September 22, 2020. Dr. Prakup summarized the committee's discussion on several strategic plan initiatives which included updating the practical exam for hearing aid fitters and updating the orientation for new board members. She noted that the committee decided to table some initiatives until 2021 due to the impact of the pandemic.

BOARD BUSINESS

A. Proposed rescheduling of December 7th board meeting

Mr. Thornton informed the Board that the emergency law passed by the General Assembly earlier in the year which allows public agencies to meet virtually will expire on December 1, 2020, unless extended. He will keep the Board updated if the next meeting on December 7, 2020 needs to be rescheduled.

B. Carryover of continuing education hours

The Board discussed whether it would consider amending its continuing education rule to allow carryover of continuing education hours into the next licensure biennium. The Board was not in favor of allowing continuing education hours to be carried over. The Board noted that one of the purposes of continuing education is to keep licensees current with their knowledge, skills, and professional competency. The Board's current continuing education requirements motivates licensees to stay current and refresh their clinical skills and knowledge of topics related to their

area of license. The Board also noted that allowing hours to be carried over could result in a four-year length of time for professional knowledge and skills to be updated, which is too long when serving consumers with communication disorders and hearing loss. The Board further noted that there are ample opportunities for licensees to earn their continuing education and that the Board’s continuing education rule allows licensees to complete all of their hours online.

Motion #7

Ms. Brown moved to amend the agenda to update the Board regarding the Executive Director’s annual evaluation. Dr. Prakup seconded the motion. The motion passed unanimously.

Ms. Brown informed the Board that she would be sending out the form for the Executive Director’s annual evaluation for 2019.

CORRESPONDENCE

There was no correspondence for this meeting.

OPEN FORUM FOR PUBLIC AND PROFESSIONAL ORGANIZATIONS

Earlier in the meeting, the Board welcomed Amanda Sines with the Hearing Healthcare Alliance of Ohio and Whitney Patterson with the Joint Committee on Agency Rule Review.

MEMBER CONCERNS

Ms. Slone noted that Kelly O’Reilly, who served as the lobbyist for the Speech and Hearing Governmental Affairs Coalition for over ten years, recently left the Governmental Policy Group to accept a new position. She expressed appreciation for Ms. O’Reilly’s collaborative work and advocacy on many professional issues through the years and said her continued work will be missed.
