New Cases – 1

CO2021-13313

This case involves a speech-language pathologist (SLP) who renewed late (after the July 1, 2021 extension deadline) and practiced under an expired license for more than fifteen days. Services were not billed. The licensee completed the required continuing education (CE) hours for the 2019-20 biennium. Their SLP license was issued July 2012. This is their first offense. Accordingly, the Investigative Review Group (IRG) recommends offering a Consent Agreement (Consent) for violation of Ohio Revised Code (ORC) Section 4753.02 and 4753.09 license renewal; Ohio Administrative Code (OAC) Section 4753.10 (I) unprofessional and (M) violating this chapter or any lawful order. The terms of the Consent would be as follows:

- Reprimand.
- Payment of the late fee.
- Passing of the Boards' jurisprudence examination due 90 days of receipt of the examination.
- Complete 2 additional continuing education hours, in the area of ethics, due 60 days from the effective date of the Consent.

- *Complete two continuing education (CE) hours in the area of ethics.*
 - *Proof of the two hours shall be submitted to the Board office 60 days from the date the Board approves the Consent.*

Accordingly, the IRG recommends the Board approve the signed Consent and close the case after compliance is monitored.

At its August 4, 2021 meeting, the Board agreed with IRG's recommendation to offer a non-reportable Consent. The licensee agreed to the following terms and conditions (*listed below for your review*) and signed the non-reportable Consent:

- *Complete an additional two CE hours in the area of ethics.*

- *Proof of the additional two hours shall be submitted to the Board office 60 days from the date the Board approves the Consent.*
- *The two additional hours of CE shall not be applied towards the 20 hours required for the current licensure biennium, for renewal.*
- *Successfully complete and pass the Board's jurisprudence examination within 90 days of receiving the examination.*

Accordingly, the IRG recommends the Board approve the signed non-reportable Consent and close the case after compliance is monitored.

Currently there are no hearings scheduled for 2021.

Continuing Education (CE)

Extension Requests – Beyond the H.B. 404 July 1, 2021 renewal extension deadline:

The Board considered a written request from Brooke Steiner, SP.10781 for an extension of time to complete her continuing education hours for the 2019-2020 practice period.

Speech-Language Pathologist – Brooke Steiner, SP.10781

- License issued April 2013; Renewed late on July 16, 2021 (paid the late renewal fee); Extension request received August 17, 2021 regarding 18 missing hours of the 20 hours required; 2 hours of CE related to ethics were completed during the 2019-20 practice period; this is the licensee's first CE audit; she is not currently practicing.
- 18.5 hours have since been completed.
- The licensee's extension request received via email explaining her extenuating circumstances was provided to the Board for review.

Motion #7

Mr. Griffin moved to grant Brooke Steiner's CE extension request. Dr. Mills seconded the motion. The motion passed unanimously.

Prior Extension Request Update – 2

Ms. Allen updated the Board on the status of two continuing education extension requests considered at their last meeting on August 4, 2021.

- Shaina Leb, SP.07296
The Board approved a thirty-day extension of time for Ms. Leb to complete 6 additional hours. Her initial request regarded completion of 4 hours; however, 6 additional hours were needed, which included 1 hour related to ethics. She completed and reported the additional hours timely to CE Broker.
- Paige Raines, SP.12976
The Board denied Ms. Raines' extension request and informed her to cease practice until she completed the required hours. Her initial request regarded completion of 20 hours; however, only 11 hours were needed, which included 2 hours related to ethics. She completed and reported the hours timely to CE Broker. The licensee paid a late renewal failed audit fee of \$120.00 due to her answering "yes" on her license renewal application that she completed or would have completed the

required continuing education hours by the license renewal deadline, which was July 1, 2021 due to H.B. 404.

Ms. Allen noted that make-up hours for any extension request are applied towards the 2019-20 biennium and are not applicable towards the current biennium for license renewal.

2019-20 CE Audit

Ms. Allen reported that the CE Audits began in August 2021. Ten percent of audiologists, speech-language pathologists and hearing aid fitters, with an active license status, were randomly selected for audit of their 2019-20 CE hours. A total of 460 licensees will be audited. Forty percent of audits have been reviewed to completeness. The professional board member audits are also complete, as required under the Board's rule continuing education, refer to Ohio Administrative Code section 4747-1-11(H)(2) and 4753-4-01(E)(2).
