Governor DeWine Implores Ohioans to Unite to Prevent Spread of Covid-19

(COLUMBUS, Ohio)—In a [statewide address](#) from his office in the Statehouse tonight Governor DeWine said that the state is at a critical point in the COVID-19 pandemic and implored Ohioans to take appropriate action to reverse the rapidly increasing spread of the virus.

“Today, more Ohioans are getting sick than at any previous point in this pandemic. We are sliding down a very dangerous path, with our once flattened-curve starting to sharpen and spike,” said Governor DeWine. “This is a worrisome, disturbing reversal of our progress -- a jarring reminder of just how quickly our fate can change.”

Governor DeWine commended Ohioans for doing their part at the beginning of the pandemic. However, with positive cases increasing, he reminded Ohioans that the choices they make today will impact the spread of the virus in the coming weeks. During the speech, grounded in [scientific evidence and data](#), Governor DeWine reminded Ohioans about the efficacy of facial coverings to protect themselves, loved ones, friends, neighbors and other citizens. He also renewed the call to socially distance and limit public gatherings.

“I am calling on all Ohioans to once again unite. We must work together, support each other, and help each other through this challenging time. I’ve seen you do this. I know you can do this. Ohioans can continue to help our most vulnerable, while also protecting ourselves and our families. Together, we can be the Ohio where our hospitals are not overwhelmed, where our schools can open, where sports can start, and where our economy can continue to grow, Governor DeWine added.
